

## CUSICK MONTHLY REPORT SEPTEMBER 5, 2023

- POFD4 was dispatched to 58 calls in the month of August, with the breakdown being 33 in Newport City, 11 in the Newport area, 10 in Usk and 2 in Cusick. We were also dispatched to 3 mutual aid requests, 2 for South Pend Oreille Fire and Rescue (both were vegetation fires), and for 1 for Fire District 5 for a motor vehicle accident. The break down for locations and call types are included below.
- We have had at least one rig out on fires pretty much non-stop since the 18<sup>th</sup>. The night of the 18<sup>th</sup>, we sent 2 brush engines and a tender to the Oregon Rd. fire. Our crews stated that their actions at the fire directly saved at least 3 houses. For about the next 13 days we had a tender and brush engine out, and since then, we have had a brush engine out.
- Fire District 4 is in the process of acquiring Pend Oreille Paramedics. This move will put the District in a position to insure that Paramedic care never ceases to exist in the area, and it will put full time, career Firefighters in the District.
